

Temperature Of 100 Reached On Tuesday Afternoon; Hottest September 1 On Record Here

A new heat mark for the summer was set here this afternoon when the mercury soared to 101 degrees by 1:30 o'clock at The Gettysburg Times Weather Station.

The 10-day heat wave, that has sent the mercury above the 90-degree mark every day since Monday of last week and has reached the 100-degree mark for the last three days, will set a new all-time heat record today if the temperature again reaches 100 degrees and the forecaster says it may.

Several times in the last 51 years, there have been heat waves that kept high readings at the 100-degree level for as many as three consecutive days. Four days in a row of 100-degree heat never have been recorded here.

Tuesday's high of 100 degrees made it the third consecutive day with a maximum of 100 degrees. That feat hasn't been duplicated here by the weatherman since July, 1936.

105-Degree Mark Stands

This is the first summer since 1936 that has had as many as four days of 100 degree heat. The 100-degree mark was reached first this year on July 18. Tuesday was the hottest September 1 here in over half a century.

Temperatures at the 100-degree level are very rare here in September and Tuesday was only the second day in history that that mark has been reached in September. The only other occasion in local weather annals was September 8, 1939.

Although the current heat wave is setting records for sustained high temperatures, the all-time heat mark for Gettysburg of 105 degrees has been in no danger of being topped. That reading has occurred here only three times in 51 years. It was reached last on July 21, 1926.

By The Associated Press No Relief In Sight

The weatherman held little hope for a break in Pennsylvania's record-breaking heat wave today but at least the word "shower" crept back into his forecasts.

A 9th consecutive day of 90-degree-plus weather began with the "chance of scattered thundershowers" in both eastern and western parts of the state. But the Weather Bureau doesn't think such isolated rainfall will change the temperature picture appreciably.

Thundershowers which struck here and there across the state yesterday gave a few areas more rain than they have had in three weeks—but it wasn't enough to bring back the burned pastures and crops.

A brief late afternoon storm gave Allentown 1/2 inch of precipitation while the Scranton-Wilkes-Barre, Selinsgrove, Pittsburgh, Williamsport and Brookville regions had a taste of moisture.

But then the thermometer was on the rise again all over.

Driest Two Weeks

The official federal-state farm crop survey for the week ending yesterday showed an average Pennsylvania rainfall of .02 of an inch compared with the normal .62. With the previous week it made the driest two weeks of August in possibly six years. Only a trace was reported along the entire northern tier of counties while the northwestern edge of the state had .1 of an inch.

Hauling of water for livestock was common in many localities and plowing for winter grains was greatly hindered, the report showed.

The state high yesterday was an even 100 in York—the third day in a row of 100-degree readings in that city. Middletown, near Harrisburg, and Williamsport both had 98s.

"Ice Box" Hit 91

Other top temperatures which continued to shatter long-time weather records in many communities included: Harrisburg 98, Pittsburgh and Philadelphia 97, Allentown 96, Allentown 95, and Avoca, near Scranton, and Selinsgrove, 94.

The spot that is commonly Pennsylvania's ice box, Phillipsburg, Centre County, had a 91 high.

The lack of rainfall made forest areas highly dangerous. Three small fires were reported in Lycoming County over the weekend. In other areas foresters stayed on watch night and day.

Records fell all over the state. Gettysburg's 100 Sunday was the highest on that date for over half a century.

Crops suffered all over. Brittle-brown corn leaves rattled in the fields. Tomatoes turned red while still the size of golf balls. And potato plants dropped as though hit by frost. Fruit growers found that late peaches are not filling and coloring as they should.

Cullison Services Thursday Morning

Funeral services for Robert H. Cullison, 81-year-old farmer and fruit grower who died suddenly Monday afternoon at the home of a son and daughter-in-law, Mr. and Mrs. Ralph Cullison, near Hilltown, will be held Thursday morning at 10 o'clock at the Bender Funeral Home, the Revs. Roger Burtner and Amos Funk officiating.

Interment will be made in Flohr's Church Cemetery. Friends may call this evening after 7 o'clock at the Bender Funeral Home.

REC BOARD TO HOLD DANCE FOR SPECIAL FUND

The Gettysburg Recreation Association Board Tuesday evening decided to give the "teen-age youngsters of the town an opportunity to contribute to the Community Chest through a dance at which admission will be charged.

Members of the board, meeting at the fire engine house on E. Middle St. pointed out that the Recreation Association, as a Community Chest sponsored organization, should do something to permit those who use its services to provide additional funds toward the Community Chest.

Since an annual dance is held through the Recreation Association by the local branch of the music union with an orchestra provided free of charge, the board decided to determine whether that dance could not be used to help raise funds for the Community Chest. The dances always attract a great number of young people, board members said, and they felt that the young people of community would attend in even greater numbers if they knew that through their attendance they would be supporting the Community Chest.

Approve Diamond Site

Final plans for the dance, the date, and the amount that will be charged per person are yet to be worked out, but members of the board hope to have the dance in time to turn over the money to the Community Chest sometime near the annual financial drive.

Approval was given to the site selected by the property committee for the Little League baseball diamond, which will be located north-east of the tennis courts on the Recreation Field. The backstop for the diamond will be near the tennis courts and the field will lie north and east of that spot.

The board agreed to do the grading for the field, with the Little League to provide stands or fencing or other facilities for the diamond which will be constructed to Little League specifications.

Board members said they hope to have the field completely graded by October, if possible, to permit seeding of grass this fall.

Concert At Park

Plans were outlined for a band concert by the Gettysburg Junior High School band at the Recreation Park during Pennsylvania Week, October 12-18.

Approval was given to a plan by which Luther Sachs Jr. will have charge of the weekly Saturday night dances at the high school two nights a month while Recreation Director Ira Kerr will be in charge the remaining Saturday nights of the month. Kerr and Sachs were instructed to work out arrangements for particular Saturday nights to suit their own convenience.

Completion of the first of a series of fireplaces at the Recreation Field was announced. The board is planning construction of a number of outdoor fireplaces at the Recreation Field for use by persons picnicking on the field. Other plans call for construction and placing of a number of tables and benches for use of picnic parties.

COMMITTEE MEETS TONIGHT

The Building Committee for the new ladies locker room and two new bath houses for boys and girls at the Gettysburg Country Club, will meet this evening at 7:30 o'clock at the club house. The committee comprises: Jacob C. Britcher, Daniel J. Wolff, Henry T. Bream, Atty. Richard A. Brown, Joseph E. Codori, John S. Rice and Glenn L. Bream, chairman. The contract will be let in the early future and the construction will be completed by December 1.

Property Transfers

Warren C. and Viola E. Harner, Littlestown, sold to Sterling J. and Betty E. Wisotzky, Germany Twp., for \$9,200, a property on the north-east side of Prince St., Littlestown.

Earl D. and Marie A. Blocher, Bendersville, sold to Harold S. and Georgianna E. Oliver, same place, for \$7,000, a property in Bendersville and Menallen Twp.

Adam J. and Ella M. DeHart, Winchester, Va., sold to Charles R. and Evelyn G. Snider, Gettysburg Twp., for \$450, a lot in Cumberland Twp.

Calvin A. C. and Ruth K. Cluck, Franklin Twp., sold to James and Mary M. Sharrar, same place, for \$400, a lot in that township.

75 Americans Who "Confessed" To Germ Warfare Under Red Pressure Will Be Released

PANMUNJOM (AP)—Another 100 happy Americans rolled through Freedom Gate today, bringing to 3,027 the number of U. S. soldiers freed by the Communists as the Korean War prisoner exchange neared an end.

These other developments highlighted the 29th day of Operation Big Switch:

1. A returning officer said 75 Americans who "confessed" to germ warfare charges under relentless Red pressure would be repatriated soon. He said the men, mostly officers, were at Kaesong, the Communist holding point north of Panmunjom, and all expect to be repatriated.

2. The sixth troopship carrying liberated Americans sailed for the United States from Inchon on Korea's west coast. With 440 men aboard, the transport Gen. Black is due in San Francisco about Sept. 15.

3. An American corporal, said to be marked for death by other re-

turning prisoners because he betrayed them to the Reds, was reported to have disappeared from a Tokyo Army hospital. The soldier, identified only as "Slick," was freed three weeks ago and had been sent as a medical case to the hospital.

4. The U. N. Command, in an unusual announcement, accused the Communists of rigging interviews between Allied POWs and visiting Red Cross teams. The announcement quoted a returned Australian officer as saying the Reds told him that he would not be repatriated unless he gave "proper answers" to Red Cross workers.

Held Up Delivery

Smiling and apparently in good health, 41 officers and 59 sergeants made up the 100 Americans returned Wednesday. The Reds held up delivery of the Americans until after 150 South Koreans were returned.

In all, the Communists turned back 100 Americans and 200 South Koreans. (Continued on Page 3)

Mrs. Gifford Wins Ladies' Tournament

Mrs. Roy W. Gifford won the nine-hole blind bogey golf tournament which was held Tuesday in connection with Ladies' Day at the Gettysburg Country Club. She had a net score of 46.

Mrs. Riley Heckert and Mrs. Raymond Sheely tied for second with net 49s.

The hostess for the day was Mrs. Paul Knox.

County Physicians To Attend Meeting

Adams County physicians will attend the 103rd annual session of the Medical Society of the State of Pennsylvania which opens a six-day program in Pittsburgh, September 20.

Dr. James H. Allison, secretary of the county society, and Dr. Roy W. Gifford, surgeon at the Warner Hospital, are members of the House of Delegates, the policy-making body of the state society. Dr. Harrison F. Habach, president of the local society, and Dr. Raymond F. Sheely, of Gettysburg, and Dr. Raymond M. Hale Jr., of Arendtsville, are alternate delegates.

More than 2,000 Pennsylvania physicians are expected to attend the meeting.

Plane With 22 Soldiers And 2 Civilians Aboard Is Missing

SEATTLE (AP)—Late and wrapped in a blanket of clouds that lay like a shroud over its course, a military-chartered plane with 21 or 22 soldiers and two civilians aboard vanished somewhere in the Pacific Northwest last night.

The twin-engine Regina Airlines craft left Monterey, Calif., at 1:40 p.m. and last was heard from over Portland, Ore., 5 hours and 48 minutes later.

It then was eight minutes overdue at McChord Air Force Base, Tacoma, with its load of soldiers from Ft. Ord, Calif., but the pilot made no mention of being in trouble.

Lose Radio Contact

Its next scheduled report point was at Toledo, Wash., 65 miles north of Portland and about halfway to McChord, but no radio contact ever was made there.

Regina Airlines officials in Seattle said the plane would have exhausted its fuel supply by 8:20 p.m. This, and the possibility it had encountered difficulty enroute to Portland, led to the belief the plane probably came down somewhere between Portland and Toledo.

3 NORBERTINE SISTERS VISIT BATTLEFIELD

Three Norbertine Missionary Sisters ate luncheon at the Hotel Gettysburg Tuesday prior to a tour of the Battlefield and a visit to the tomb of Mother Seton at St. Joseph's College, Emmitsburg.

The three sisters, Mother Magdalen, Sr. Anne Marie, and Sr. Gabriel are the first of their Order to enter the United States. They are at present stationed at Archmere Academy, Claymont, Del., which is in charge of the Norbertine priests by whom the order of religious women was founded in France about twenty years ago.

The Sisters have been in the United States just a year, coming here from the Motherhouse of St. Victoire, near Marseilles, France. Mother Magdalen, a registered nurse, had previously done missionary nursing work in Tunisia, N. Africa, for eight years.

May Open Novitiate

Mother Magdalen reported that the Sisters are hopeful of opening a novitiate in the near future, possibly in Delaware, for the reception of American postulants to the Order. The Missionary Norbertine Sisters are primarily concerned with nursing and education in France and Africa.

Since the sisters speak little English, they were escorted by Mrs. Oliver Benoit, Claymont, Del., who interpreted for them. They were especially delighted by the polaroid camera work of Times' photographer G. Henry Roth, who gave them prints immediately after taking the picture.

COMMITTEES OF CHURCH WOMEN ARE ANNOUNCED

Committees of the Gettysburg Council of Church Women for 1953-54 have been announced by Mrs. Donald Scott, president of the council. A member church is represented on each committee.

Other officers of the Council are: Mrs. Donald Trone, vice president; Mrs. Earl Shears, recording secretary; Mrs. H. C. Utech, corresponding secretary; and Mrs. Earl Brandon, treasurer.

The May Fellowship group includes: Mrs. Reginald Dietz, chairman, Christ Lutheran; Mrs. Edmund Thomas, Presbyterian; Mrs. Grand (Continued On Page 3)

Mrs. Truman Beard Dies; Burial Here

Mrs. Minnie A. Beard, 82, widow of Truman E. Beard, died Tuesday in Harrisburg of infirmities of age. She is survived by three daughters: Mrs. Hyacinth Willners and Miss Jessie M. Beard, Harrisburg, and Mrs. Harold Kahler, Chatts Ford, Pa.; two sons, John Guy, Kenosha, Wis., and Richard C. Hockess, Del.; seven grandchildren; five sisters, Mrs. Ellis Bream, Cross Keys; Miss Otta M. Cover, Arendtsville; Mrs. Laban Hershey, New Oxford; Mrs. Charles Bieseker and Mrs. Roy Bream, Gettysburg; a brother, Herbert Cover, Covington, Va.

Funeral services in Harrisburg, Friday at 1 p.m. with services at Evergreen Cemetery here about 3 p.m. Friday.

Friends may attend the viewing at the grave.

CAN'T FIND PROWLERS

State police were called early this morning to York Springs on complaint of the telephone operator there that someone was trying to get into the office. They searched throughout the community, but found no one.

ENROLLS AT WILSON

Miss Alice C. McDannell, daughter of Mr. and Mrs. David W. McDannell, R. 4, has been accepted for admission to the freshman class at Wilson College, Chambersburg, according to an announcement made by Mrs. Paul W. Leitch, director of admissions.

DROP PLAN FOR RENTING ROOM

Pending a final "okay" today from Cumberland and Highland Twp. school directors, an assignment of pupils is being worked out that will make it unnecessary to rent a room for one class of public school first graders, Dr. Lloyd C. Keefe, superintendent of schools, said today.

The plan provides for all Highland Twp. first graders, and all first graders in Cumberland living along the Fairfield and Mummaburg Rds. and the section between those highways to go to Belmont School. Second, Third and Fourth graders will be moved from that school, chiefly into Gettysburg.

There will be about 33 first graders at Belmont, 76 in two rooms at High Street School and 70 in two rooms at Meade. The shift of Second graders from Belmont will push the average Second grade room enrollment in Meade and High Street schools to 40, Dr. Keefe said.

Every effort was made to solve the problem without seeking to rent other quarters because of the inconvenience and complications for the school system and for the church that might have been asked to rent quarters for the year.

SPRINKLING OF LAWNS BANNED TEMPORARILY

John E. Long, manager of the Gettysburg Municipal Authority, today asked Gettysburgians not to sprinkle their lawns during the present severe drought.

While there is "more than enough" water flowing in Marsh Creek at the present time for "normal purposes," Long said, "additional restrictions will have to be placed if we do not get any rain by Labor Day."

While "water was running over the dam" at the water works Monday, today the level of the water had dropped below the level of the dam, Long said. He added that the creek has "dropped five inches in the last three days."

Reserve In Wells

While there is no water to waste, the town is assured of enough for drinking, cooking, and similar purposes even though the stream goes lower, Long said. Several wells of large capacity are held in reserve for use in the borough system. The well water, however, is very "hard" and is used only in emergencies.

That the heat wave is causing a drain on the water supply was shown Tuesday when 900,000 gallons had to be pumped through the borough's mains to supply the demands made on the system. The high amount, however, did not bring the pumping system to its peak, Long said. The pumps at the water company plant are able to push "in excess of 1,000,000 gallons of water a day" through the mains.

256 GIRLS AT 3 "DAY CAMPS" THIS SUMMER

A total of 256 girls attended the three "day camps" held by the Adams County Girl Scout Council this summer according to a report presented by Mrs. Hilda Arter, camping chairman, at the first fall meeting of the board of directors of the council Tuesday evening.

The camps were held at the South Mountain Fairgrounds, Littlestown and Abbottstown. Mrs. Arter reported that 92 Girl Scouts also participated in troop camping. Troop 19, York Springs, Mrs. Ivan Taylor, leader, camped at Pine Grove as did Troop 16, Littlestown, of which Mrs. Arter is leader. Encampments were held at Caledonia by Troop 34, Littlestown, Mrs. John Stambaugh, leader, and Troop 39, Littlestown, Mrs. Charles Rabenstein, leader.

12 Visiting Scouts Here

Twelve Senior Scouts from Champaign, Ill., visited Gettysburg and were entertained by Mrs. John D. Teeter, Mrs. Charles A. Sloat and Mrs. M. Hardy Nichols, representing the local Scout Council. Lunches were packed for the group, who picnicked at Spangler's Spring. A guide was secured for a trip over the battlefield. A letter of appreciation from the Scouts was read at the meeting.

Mrs. Arter announced that the camping committee will meet every two months, on September 9, November 11, January 13 and March 10. She reported that five girls who had received campships have gone (Continued On Page 2)

M'SHERRYSTOWN MOOSE OFFICER ARRESTED AFTER RAID BY POLICE

Richard Rodney Weaver, 40, Ridge Ave., McSherrystown, secretary of the McSherrystown Moose Club, was arrested by state police from the Gettysburg substation Tuesday afternoon on charges of "traffic in lottery tickets and establishing a gambling place" following a raid at the McSherrystown Moose home.

Weaver posted \$500 bail on each count before Justice of the Peace Robert P. Snyder to appear for a hearing Friday morning at 10 o'clock at the justice's office on Baltimore St. here.

Police confiscated a large quantity of equipment including what was described as a console type slot machine, standing about 4 feet high and 4 1/2 feet long, having three slots for coins, and operated by a hand lever. Two of the slots were for nickels and the third for dimes, police said, adding that the handle operated wheels containing the usual slot machine figures, which revolved. Certain combination of the figures, according to police, "paid off" in cash. The machine was found in the bar room at the Moose Home.

Confiscate Equipment

Police also confiscated two "fish-bowl" gambling devices," they said. According to police, each bowl contained a number of tickets which were selling for five and 10 cents apiece. Cash payments were made for certain combinations of numbers on the tickets, police said.

The local state police also confiscated a wheel and wooden paddles with numbers on them, which they said were found in a store room in the structure, and also confiscated parts of a "regular slot machine," as police described it. The parts, they said, included reels, parts of the slot, etc. which were found in a box in a store room. Police said under the present law possession of parts of a slot machine is illegal as is possession of a slot machine in operation.

Also confiscated was a board containing a rifle, shot gun, wrist watch, jacket, cigarettes, lighters, a set of hunting knives and a deep fryer.

Liquor Agent Took Action

The board with the articles on it was confiscated, police said, because it appeared to be a board containing prizes awarded on a punch board. They added however they could find no punch boards in the establishment.

The console machine was removed to the county jail for storage while the other articles were taken to the local sub-station of the state police.

Bertram H. Berg, a State Liquor Control Board investigator from Harrisburg, triggered the raid. He visited the McSherrystown lodge Tuesday for his regular inspection and found the "fish bowls" in operation. He then called the local state police, asking them to obtain a warrant. He remained at the lodge until police arrived with the warrant and were admitted to begin their search of the premises for gambling devices.

Mistreatment Of Livestock Charged

Luther Bream, Gardners R. D., paid a fine of \$20 and costs today before Justice of the Peace Robert P. Snyder on a charge of "ill treatment to a herd of stock."

The information filed before the justice by the prosecutor, Eugene K. Daniels, chief agent of the Humane Society of Harrisburg, states that Bream "did fail to clean out manure and keep the barn in the usual sanitary conditions, and did fail to see that the cattle were given water and feed available on the premises." The information states that the alleged conditions are "in violation of Section 942 of the Criminal Code" of Pennsylvania.

BIRTH ANNOUNCEMENTS

A daughter was born at the Warner Hospital Tuesday to Mr. and Mrs. J. William Ditzler, 102 W. Middle St.

Mr. and Mrs. Norman Zepp, New Oxford R. 2, are the parents of a son born Tuesday at the hospital.

Mr. and Mrs. James Hartman, Gettysburg R. 3, announce the birth of a son at the hospital today.

Mrs. William McCleaf, 224 W. Middle St., has received word that a daughter was born to Captain and Mrs. Franklin R. Chambers, Louisville, Ky., Monday morning. Mrs. Chambers is Mrs. McCleaf's daughter. The Chamberses have two other children.

Mr. and Mrs. Harold Borror, East Berlin R. 2, announce the birth of a son Monday at the Hanover Hospital.

WILL BECOME NURSES

The Misses Dolores K. Harbaugh and Jean E. Anthony, Littlestown, were among those who entered the St. Joseph's Hospital Tuesday.

first targets will be the radar stations, for the enemy will seek to blind us in order to get more of his planes in with bombs.

"Even though the radar stations are destroyed, or are unable to operate through mechanical defects, which can happen, the spotter stations will continue to carry on the work."

William G. Weaver, county Civil Defense administrator, told the group: "We are proud of York Springs for the cooperation and patriotic interest shown by the people of this area. You are the first to get your spotter station in operation and I hope your success will be an incentive to the five other spotter stations being established throughout the county."

Cities Firemen's Cooperation "We are fairly far advanced in our Civil Defense preparations. We can point with pride to the manner in which our fire companies are tied together by radio and through organizations such as the county firemen, the county fire chiefs and county fire police groups. The fire companies are equipped to do a tremendous job in the event of any emergency."

"We have other groups organizing and now we have our spotter stations well underway. Soon we should have a Civil Defense organization second to none in the county."

L. E. Potts, chief of the York Springs area spotter station, was master of ceremonies. He introduced M. S. Hershey, his assistant, and other community chief observers. Potts and Hershey served the first four-hour "crick" at the station Tuesday night.

About 100 were present for the program. The spotter station was completed Monday and telephone service installed Tuesday.

The station is located near the Boy Scout cabin atop a hill in the northwestern part of York Springs, near the high school.

Teeters, Wolffs To Make Glidden Tour

Mr. and Mrs. John D. Teeter and daughter, Nancy, antique automobile enthusiasts, will join other old car collectors in the 1953 revival of the historic Glidden tours. Dr. and Mrs. Bruce N. Wolff will accompany the Teeters.

Mr. Teeter will drive his 1914 Ford touring car to Cleveland where the tour will begin September 14. The cars will travel to Columbus, Toledo and Detroit reaching Greenfield Village, in Dearborn, September 19. The tour is sponsored by the Antique Automobile Club of America. James Melton, the well known singer and a leading antique car enthusiast, is tour chairman. Jerry Duryea, son of the pioneer automobile builder, is vice chairman. Cooperating are the Veteran Motor Car Club of America, the Horseless Carriage Club and other antique car groups. The American Automobile Association, which sponsored the original Glidden Tours soon after the turn of the century, also supports the modern revivals. Its affiliated clubs in Ohio and the Automobile Club of Michigan will signpost the route and provide emergency road service.

Three hundred forty-one automobiles have been registered for the tour.

tion at the fair. The structure will be available for use by the fair association at any time during the year, with the exception of fair week when it will be manned by the Lions.

Talk About Fair Money raised through the Upper Adams Lions concession goes into the club's charity fund and is used for various projects during the year. Members of the club and their ladies operate the concession during fair week on a voluntary basis.

Most of Tuesday's meeting was given over to a discussion of the South Mountain Fair.

W. Clayton Jester, director of the fair, compared the fair with others throughout the nation and emphasized the "unselfish motives of the many individuals who give so generously of their time to the fair, it is a community activity, not a money making scheme. It is a fair operated by the people of the area and it is only through the generous cooperation and interest of so many people that it has become the rousing success it is."

Need More Exhibits Jester urged poultry raisers and dairy herd owners to exhibit in "a large way" at this year's fair, scheduled to start next Tuesday. Many more exhibits are needed in both poultry and dairy animals, the fair director said.

M. LeRoy Zeigler reported on the entertainment scheduled for the fair, including Joe Louis and the "Three Suns." The Biglerville High School Band will play prior to each performance by the revue at the fair, he said.

Oscar Rice Jr. reported on the exhibitors who will be present at the fair. He added that the fair association must depend heavily on the various commercial exhibitors from throughout the county for its financial support.

A short business meeting was held.

Fellowship Meets
The Junior Fellowship of the Centenary Methodist Church met on Monday evening at the church with Ruth Myers, junior leader, in charge of the opening devotions. The 23rd and 100th Psalms were read by the group. Mrs. Albert H. Miller Jr., Mr. and Mrs. Robert

ert Crist, adult supervisors, gave readings and led discussions pertaining to the evening's theme, stressing how the church began with just a few people who found joy in worshipping together, and spread to many people, thus making it possible for the congregation to do many good and useful things.

The project for the month of August was completed under the supervision of Mrs. Crist. The older children of the group cut and assembled from colored art paper, a United Nations chapel window, designed on the order of a colorful picture, church, and depicting on each window a verse typical of the different religions of the United Nations. The outline study plan followed by the Fellowship members stressed for each meeting night during the month of August, the importance of appreciation for the sincerity of those following other religions; the need for youth to learn the ways of tolerance and understanding as the most important things to practice as a means of learning to love one's neighbor.

Religions in the United Nations Chapel, to be placed on display in the Sunday School room at Centenary Methodist Church, include Christianity, Zoroastrianism and Hinduism in India; Buddhism in China and Japan; Confucianism in China; Taoism in Europe, America and the Near East and Mohammedanism in the Near East. Each window also depicts the symbol for the particular religion, for example the cross signifies Christianity. The printing, art work and assembling of the chapel was done by Ruth and Shirley Myers, Barbe Miller, James Barnes, Jane Barton and Phyllis Rimel.

A story and fun period was enjoyed by the tiny tots. Next week's junior leader will be Shirley Myers and the first September meeting will begin the study of Human Rights, beginning with a discussion on "Who Has Rights."

"SENTIMENTAL ME"

Some people do not have the time . . . for sentimental things . . . they say it's being feminine . . . to pluck upon heart strings . . . they ridicule the man who writes . . . for love in all its glory . . . for love to them is commonplace . . . and just an old, old story . . . but what they fail to realize . . . is that our lives are bound . . . to sentiment at every turn . . . it makes the world go round . . . and that we really live for love . . . of one kind or another . . . the love of God or love of girl . . . or fellow man or brother . . . and knowing this I do suppose . . . I'll go on through the years . . . being sentimental with . . . my joys and with my tears.

Koreans Wednesday and promised to deliver Thursday 89 Americans, 200 Koreans, 5 British and 6 Canadians.

Including Wednesday's delivery, 11,716 Allied prisoners have been freed. Before the exchange started, the Reds said they held 12,782 POWs, but have since indicated they would return more than that number. They said these would include an undisclosed number of men captured in the last days of the war.

Learns Of Award
According to the original Red figure, 286 Americans are yet to be returned, but this number probably will be exceeded.

One of the Americans returned Wednesday learned for the first time that he had won the nation's highest award—the Medal of Honor—for bravery the night he was captured two years ago.

He was Lt. James L. Stone of Hot Springs, Ark., who sat with tears in his eyes as he was told of the award by Brig. Gen. Ralph Osborne, 8th Army officer in charge of repatriation.

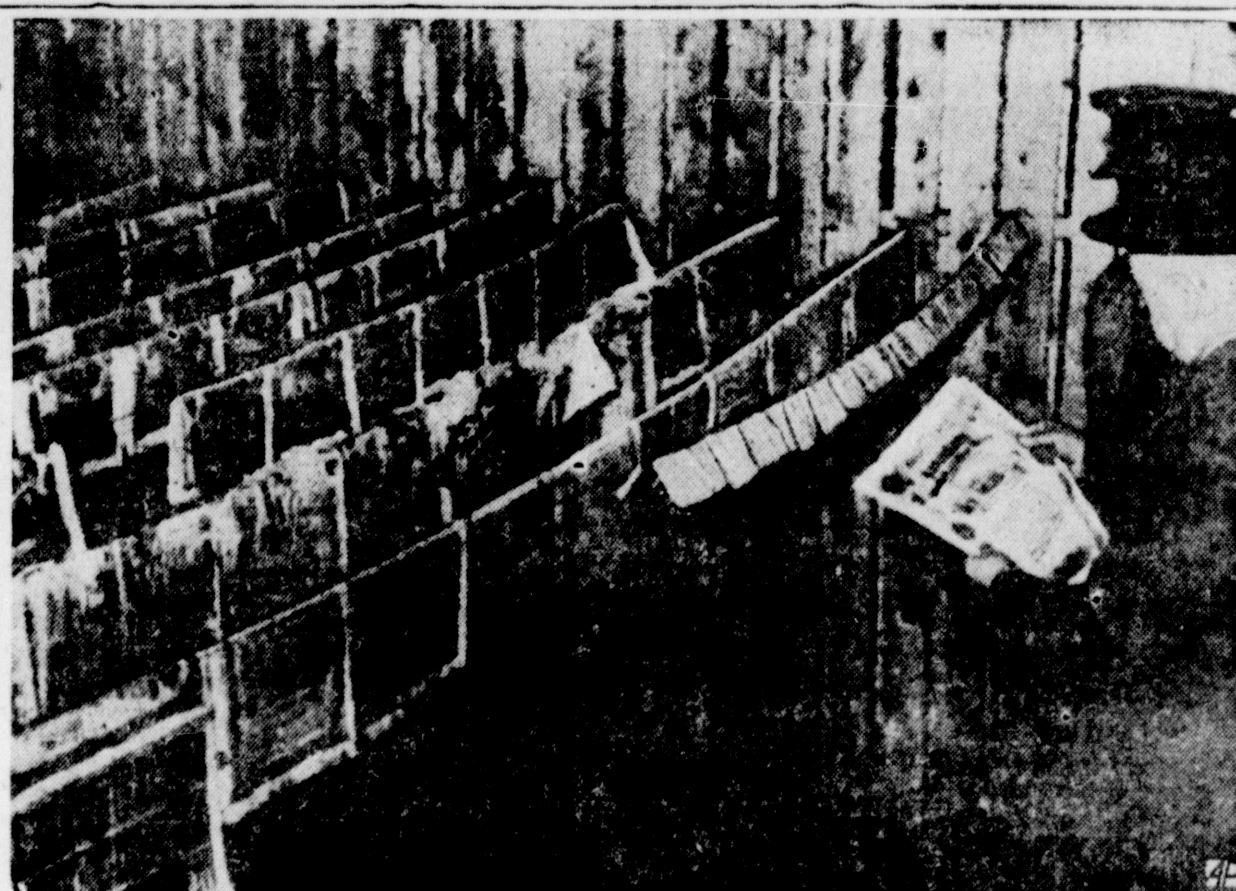

His voice choked with emotion, Stone told the general, "I don't know what to say. I don't think I deserve that. I don't think I should have it."

York Springs

Mrs. Francis Kemper spent Saturday in Harrisburg.

Mr. and Mrs. Charles O. May and Mr. and Mrs. Daniel Ellicker have returned from a trip through the southern states and as far south as Key West, Fla. They went via the east coast and home along the west coast. Mr. May and Mr. Ellicker traveled in a pickup truck pulling their 30-ft. house trailer while Mrs. May and her sister traveled in the Ellicker car. This arrangement made it possible for them to go sightseeing without un hitching the trailer. At Acala, Fla., the ladies missed a by-pass sign and took the route through the city. Mr. Ellicker and Mr. May waited for several hours outside Acala trying to locate the ladies, but when Mr. May and Mr. Ellicker arrived in York Springs they learned that their wives had beat them home by 14 hours.

The Mademoiselle Club will have the library room open Friday evening from 7 to 8 o'clock, starting September 1.

The Cub Scouts of Den 1 had their meeting at the home of the Den mother, Mrs. Jerry LaRue, Games were played and they had a wicker roast.

the elementary children from the Orrtanna-Cold Springs Road to Orrtanna and on its return will pick up children residing between Orrtanna and Fairfield. His bus also will haul the children from the Muddy Run section.

Guy Selford will operate two buses. The first bus will start at the top of Greenstone Hill and will haul all children from there to Izer's at Iron Springs. The second bus will begin at Izer's and will pick up children from there to the Iron Springs Post Office.

David Sanders' bus will haul all children from Cold Springs and the vicinity of Strausbaugh's Orchard to Orrtanna and Fairfield. Children living between the McGeorge farm and the Strausbaugh farm on the upper road, will meet the bus at either the McGeorge farm or the Strausbaugh farm. At the Orrtanna Post Office he will pick up Orrtanna children who go to Fairfield High School or Fairfield Elementary School.

Floyd Baker will pick up children from the Zora section to the Maryland line on the Lower Tract Road to Fairfield. Those from the intersection of the Gettysburg and Lower Trace Roads will be transported on Baker's second load as in previous years.

Buy Larger Buses

George Kint again will haul all children from the Mt. Hope and Jack's Mountain section.

Kint and Sanders have purchased larger buses in order to take care of the larger numbers to be transported in their areas.

School will dismiss at noon Tuesday. There will be no cafeteria service until September 14. Sandwiches will be on sale at the high school on September 9, 10 and 11.

SUGGEST THREE SITES FOR PEACE CONFERENCES

WASHINGTON (P) — The Allies which fought on the United Nations side in Korea will offer the Communists a choice of three possible sites for the peace conference: Geneva, San Francisco or Honolulu.

They will suggest that the conference begin Oct. 15. Under terms must start no later than Oct. 20, which is 90 days after the truce signing.

Diplomats who reported these recommendations yesterday said that Sweden would be asked by the United States to act as intermediary with the Communists. She maintains diplomatic relations with Red China.

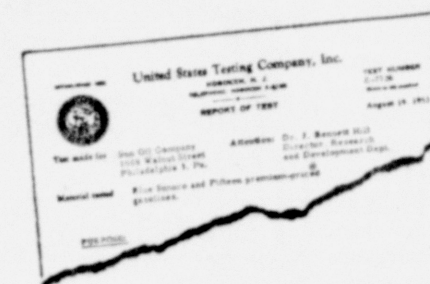

16 Nations Confer
The recommendations were agreed upon at a session held by representatives of the 16 United Nations members which contributed troops to the war in Korea. South Korea, not a U. N. member, also attended by invitation. She has been designated to sit with the U. N. members at the peace conference.

Secretary of State Dulles, who acted as spokesman, announced only that the diplomats had reached "general identity of approach in regard to the time and possible sites for the conference." He said the U. S. government was instructed to communicate with the

Dulles was said to have promised to report back as soon as the reactions of Red China and North Korea have been obtained.

BLUE SUNOCO WINS AGAIN

In Actual Road Tests Conducted By U. S. Testing Co.

U. S. TESTING COMPANY CERTIFIES RESULTS

U. S. Testing Company—largest, oldest, and best known in the world—writes, "Practically speaking, the results show no difference between Blue Sunoco and any of the 15 premium-priced gasolines tested in miles per gallon, acceleration, or overall performance."

Cars Used In The Test

Cross section of American cars were tested—1948 to 1953 models.

1953 Chevrolet (new)	1951 Nash
1949 Chevrolet	1952 Studebaker
1953 Ford (new)	1953 Chrysler (new)
1951 Ford	1950 Chrysler
1953 Plymouth (new)	1951 DeSoto
1948 Plymouth	1953 Cadillac (new)
1953 Buick (new)	1949 Cadillac
1949 Buick	1952 Packard
1950 Pontiac	1951 Hudson
1952 Oldsmobile	1953 Lincoln
1952 Dodge	1952 Willys
1952 Mercury	1952 Kaiser
	1952 Henry J.

5-STATE, 25-CAR TEST

Cars included every current American make from 1948 to brand new. States were Pennsylvania, New Jersey, Connecticut, Michigan, Ohio. Cars were driven at touring speeds. As certified by United States Testing Company, High-Test Blue Sunoco at regular gas price matched the mileage, acceleration and over-all performance of 15 premium-priced gasolines costing up to 3 cents more per gallon. Blue Sunoco Matches 15 Premium-Priced Gasolines in Miles Per Gallon... Gives you Up to 12.4% more miles per dollar

High-Test Blue Sunoco was tested against 15 premium-priced gasolines, with all their latest "improvements". Yet Blue Sunoco, selling at regular gas price, matched the mileage, acceleration and over-all performance of these gasolines, which cost up to 3¢ more per gallon!

Final results of the five-state, 25-car road test for gasoline mileage have now been tabulated. Of the 16 gasolines tested, High-Test Blue Sunoco, the only regular-priced brand, matched the mileage, acceleration and over-all performance of its 15 premium-priced competitors.

How It's Possible

For over 25 years, the Sun Oil Company has produced one—and only one—highest quality gasoline.

This single-grade gasoline policy results in savings on tank ships, trucks, storage tanks, and pumps. These savings have been used to build special

advanced manufacturing equipment. This, together with Sun's exclusive processes, offers motorists a superior, premium performing gasoline—High-Test Blue Sunoco.

See Your Sunoco Dealer!

Ask your Sunoco dealer for further details of the Sunoco road tests. Ask him, for example, the actual brand names of the premium-priced gasolines tested against Blue Sunoco. You'll find they include the ones sold right in your own neighborhood. And of course, be sure to fill your gas tank today with High-Test Blue Sunoco.

HOW TO MAKE YOUR OWN TEN-GALLON TEST

For best results don't mix High-Test Blue Sunoco with any other gasoline. Wait until your tank is nearly empty, then fill with at least ten gallons of Blue Sunoco. See for yourself the difference it makes in miles per dollar.

Your Sunoco dealer knows the brands of gasolines used in the road tests. He'll be glad to tell you if you ask him. Drive in today!

Just Folks

By EDGAR A. GUEST

THE ANSWERS
Should they want to question me,
To the stand I'd go
Unafraid and glad to be
Answering "yes" and "no."

"Have you been a Communist,
Are you one today?
On your rights do you insist?"
"No!" I'd proudly say.

"Have you been a Communist?
Freedom to condemn?
To reply do you decline?"
"No!" I'd shout at them.

"Do you love our starry flag?"
"Yes!" I would reply.
"No one (though I seem to brag)
Loves it more than I."

Today's Talk

By GEORGE MATTHEW ADAMS

ARE YOU ILL CONDITIONED?

It is important that we all keep
a careful check upon our mental,
physical, and spiritual condition.
Many of us are ill conditioned and
we wonder why. We feel below
par, are irritated over trifling
things, are easily taken over by
petty fears, and we lack confi-
dence in ourselves and others.

We give immediate attention to
our car if it doesn't run smoothly,
or our home when it gets out of
order, but this wonderful machine,
which we call our body, gets out
of condition and we pay little heed.
Yet it is what influences our
thoughts and actions, our personal
happiness and health, as well as
our success in life.

If you have ever noted a great
locomotive after a long run you
will see oilers, inspectors, and all
sorts of workmen carefully going
over that engine to see that it is
properly conditioned for another
run. The safety of the many de-
pends upon it. It's that way with
all of us. We can't expect to be
our best and most efficient if we
get out of condition and do noth-
ing about it.

The right balance of food, regu-
lar recreation and change of
scene, many interests, and a
cheerful outlook upon life are all
contributors to our condition. We
often hear some people referred
to as having wonderful disposi-
tions. That means they keep
themselves well rounded and ef-
ficient. They are people with
whom we like to associate and
tie to as friends.

If a person's digestion is faulty,
if he or she can't sleep well at
night, or if the mind is disturbed
by worries and troubles, that one
needs to be newly conditioned.
It's a personal matter, however.
We know ourselves better than
anyone else and should appraise
our lacks and seek the remedy
that will set us right again. Many
years ago Arnold Bennett wrote
a little book, called "How to Live
on Twenty-four Hours a Day." It
is valuable reading though writ-
ten many years ago. We can only
live one day at a time!

Tomorrow Mr. Adams will talk
on the subject: "Brief Books"

**Last of School Bells Will Not Be
Rung Again:** The last school bell
in Gettysburg, believed to be one of
the oldest in the state, will not ring
again.

When the belfry on the High
street school building was torn down
this summer, the bell was placed in
the basement of the building and
will not be used again in Gettys-
burg.

This bell is said to have been rung
for the first time before the battle
here in 1863, and has been in con-
stant use ever since.

Defendant Dodges Cameras: Gettys-
burg is "hitting" the front pages
of the metropolitan newspapers with
stories and pictures of the Eiker
murder trial. . . .

Besides the special staff corre-
spondents of Philadelphia, Baltimore
and Harrisburg newspapers sent to
Gettysburg for the proceedings, sev-
eral newspaper photographers have
arrived and began "shooting" away
in front of the court house Wednes-
day morning, taking pictures of
Judge D. P. McPherson, and the de-
fendant, Mrs. Eiker. . . .

Dodgers Can Wrap Pennant Up By Labor Day; Yankees Trip Faltering White Sox

By BEN PHILGAR
AP Sports Writer

The Milwaukee Braves get a last look tonight at the home of the team they couldn't beat for the National League pennant.

The Brooklyn Dodgers represent the one jinx the Braves failed to shake in their move from Boston, where they languished in seventh place a year ago.

With four meetings remaining—two in Brooklyn tonight and tomorrow and two in Milwaukee later this month—the Dodgers lead the Braves 12-6 for the season. Last year when the Braves performed out of Boston the Dodgers beat them 18 times.

11th Defeat For Cards

Milwaukee has clinched its season's series with every other team except the St. Louis Cardinals and they lead the Redbirds 10-6.

At the moment Brooklyn holds its fattest margin of the season over the Braves—11 games—and has a theoretical chance to wrap up the flag by the end of the Labor Day double-headers, 20 days before the season ends. The Dodgers didn't make it last year until five days from the finish.

Yesterday Brooklyn ended a perfect home season against the Cardinals—11 victories in 11 games—with a 12-5 decision despite five St. Louis home runs. New York shaded Chicago 10-9 in the only other National League action.

Yanks Trip Climax

The New York Yankees moved 9½ games in front of faltering Chicago after tripping the White Sox 3-2 at Chicago. Cleveland resumed its winning ways at the expense of the Boston Red Sox 13-3 and Detroit defeated Philadelphia 7-5. St. Louis and Washington weren't scheduled. The third place Indians are within a game of the White Sox and 10½ behind New York.

The St. Louis home runs at Brooklyn were all off Preacher Roe, who survived only because his mates backed him with a 17th hit. The record for home runs off one pitcher in a game is six. Steve Bilko hit two, Stan Musial, Harry Elliott and Rip Repulski one each. The outburst ran the Cards' homer total for the year to 120, a club record.

Sal Maglie, onetime ace of the Giants, failed again against the Cubs but the New Yorkers came from behind and won in the eighth with a gift run. Jim Rhodes walked, moved to third on a throwing error and scored after an out-field fly. Ralph Kiner, Roy Smalley and Bubba Church hit homers in the losing Chicago game.

Mickey Mantle's 17th homer proved the margin of difference for the Yankees over the White Sox. For a brief spell it looked as if the Chicagoans were going to come up with one of their patented late-inning rallies in the seventh but they could score only one run after loading the bases with none out.

Sam Mele opened with a single and moved to third on Connie Ryan's double. Johnny Sam replaced Whitey Ford and walked Ferris Fain. Sherm Lollar hit to third baseman Gil McDougald, who fumbled the ball but recovered in time to get a force out. Billy Martin, trying for a double play, threw Jim Rivera's grounder into left field and Fain tried to score from second base. But McDougald recovered the ball and nipped Fain at the plate. Virgil Trucks fouled out to end the threat.

The loss was Trucks' seventh against 18 victories. Ford got credit for his 16th triumph. He's lost five.

Early Wynn struck out 10 in winning his 16th game for Cleveland. The 13-hit Indian attack included Al Rosen's 36th home run.

Gus Zernial, of Philadelphia, passed Rosen with a pair of homers, his 35th and 37th off Detroit's Ned Garver. Fine relief work by Ray Herbert silenced the A's from the fifth on and the Tigers came from behind to win.

The Reading Indians took the sure-fire winners of the Eastern League's 1953 pennant.

The Indians added a half game to their first-place margin last night by twice subduing the host Albany Senators, 4-2 and 7-2.

The second-place Binghamton Triplets scored a 5-1 triumph over the Barons at Wilkes-Barre, the visiting Schenectady Blue Jays won, 6-3, over Williamsport Athletics and the host Elmira Pioneers scored a 3-1 victory over the Scranton Miners.

Schenectady also chalked up an 11-3 victory in a one-inning continuation of a game suspended July 19.

Reading, with 11 games remaining, leads Binghamton by five games. The Triplets have nine contests left.

GEORGIAN FIRES 6 UNDER PAR TO LEAD QUALIFIERS

NEW YORK (AP)—Gene Dahlbender Jr., a 29-year-old shotmaker from Atlanta, had one big golfing ambition this year—to qualify for the National Amateur.

He not only qualified, but he led the entire country by firing a fancy 6-under-par 68-68-136 yesterday on the 6,604-yard East Lake Country Club course in his home town.

Thus, Dahlbender, who passed up the Georgia Open this year to be sharp for the National Amateur, looms as a major threat to the 23 sharpshooters who were not required to qualify for the event, scheduled to be held at the Oklahoma City Golf and County Club Sept. 14-19.

Only Five Broke 140

Only five others among the 177 qualifiers managed to break 140. Tied for the runner-up spot were young Eddie Meyerson of Los Angeles, who is slated to start his college career at Southern California this semester, and Southern Oregon champion Bob Atkinson of Portland.

Both had 138s. Meyerson on a 68-70 over the San Gabriel Country Club course in Los Angeles and Atkinson on a 71-67 at the Waverly Country Club in Portland.

Angelo Santilli and Don Hoenig, shooting on the same course in Dedham, Mass., came through with identical 70-69-139s, while Joe Bernolfe had a 68-71-139 at Salt Lake City.

GHS Grid Tickets Now Available

Purchasers of season reserved seat tickets for the five home football games of Gettysburg High School may now secure them at their convenience at the principal's office at the high school.

A number of orders have been received and indications point to a large sale. The Warriors' first game will be with Westminster here Friday evening, September 11.

This morning the Warrior squad went to Middletown for a scrimmage with Coach Don Seibert's gridders.

Calvert Hall Ends Practice At Mount

This afternoon Calvert Hall High School, Baltimore, breaks up its annual football camp, held this year at Mount St. Mary's College. Thursday the young gridders make the trek back to Baltimore, shortly to open their drive for the city prep championship.

During the past 10 days Coach Bob Nowaskey has worked the squad into good physical trim with a minimum of injuries and few withdrawals despite the current heat wave. Nowaskey has also schooled his youngsters in split-T assignments both in head-knocking sessions throughout the past week and in evening skull drills, desk work, and movies of last year's outstanding split-T college games.

IDAVILLE AND LEGION IN TIE

Idaville and the Shippensburg Legion played to a 1-1 tie Tuesday evening at Shippensburg in the title series for the playoff championship of the Cumberland Baseball League.

It was the second tie game played in the best-of-seven series which is knotted at 2-all. Darkness halted the game after five innings. Tonight the teams will play at Idaville.

Shippensburg scored a run in the fourth frame when Cutshall was saved on a two-base error and tallied on G. Rosenberry's single. Idaville knotted the score in the top of the fifth. Mert Becker walked, advanced on a balk, moved to third on Herb Deardorff's single, and scored on an error.

Score by innings:

Idaville 0 0 0 1-1 4 2

Shippensburg 0 0 0 1 0-1 3 1

Batteries: Idaville, Fuhrman and Kopp; Shippensburg, Frelin, Kuniklemann (5) and G. Rosenberry.

Pen-Mar Contest Postponed Again

Due to a number of injuries received by Littlestown players in Sunday's baseball game, the Pen-Mar League game scheduled to be played between Cashtown and Littlestown Tuesday evening on the latter's field was postponed.

It was decided the game will be played next week, at a date to be announced. The contest, makeup of a postponement, will have no effect on the final standing. The regular league season ends with games scheduled for next Sunday.

GAME HERE TONIGHT

The local VFW softball team will meet the Rocket 88 team, of Westminster on the Recreation Park field at 8 o'clock this evening.

Narrowly Miss 4-Way Golf Tie

JEFFERSONVILLE, Pa. (AP)—The amateur division of the 16th annual Frank H. Wood Memorial Golf Tournament yesterday missed having four co-titleshielders by eight feet and two inches.

George Rowbotham and Allan Sussel, two Philadelphia area golfers, posted 68s to lead the field. Sussel scored a 32-36 at the Jeffersonville Golf Club.

Joseph Hoch of Green Pond and Dom Foscone of Reading, the 1953 State Publix champion, missed making it a foursome at the top. Hoch missed an eight foot putt on the final hole and wound up with a 69. Foscone's first putt on the final—a 30-footer—skipped by the cup, stopping two inches away. He too carded a 69.

9 AMERICANS AMONG TENNIS SINGLES CHAMPS

FOREST HILLS, N.Y. (AP)—If everything goes according to form—and there appears no earthly reason it shouldn't—by sunset tonight this will be the lineup in the men's singles division of the National Tennis Championships:

Nine Americans.

Four Australians.

Two Danes.

One Swede.

That totals 17 number to which the men's number will be reduced after the fifth day of action at the West Side Tennis Club. It also means the tournament actu-

ally won't get started until tomorrow.

It looks like a breeze into the fourth round for the seeded favorites, who so far have lost only two of their original number.

The top-ranked domestic choice, Wimbledon champion Vic Seixas of Philadelphia, plays Grant Golden of Wilmette, Ill., 15th ranked nationally. His Davis Cup teammate, Tony Trabert of Cincinnati, seeded No. 2, has a date with Seth Peterson Jr., of San Francisco.

Australia's one-two punch—the 18-year-olds Ken Rosewall and Lewis Hoad—also is expected to stay alive without undergoing too much pressure. Rosewall meets Joaquin Reyes of Mexico while Head engages Joe Davis, a Nashville, Tenn., businessman who is now a more or less weekend player.

ATLANTIC CITY, N. J. (AP)—Jockeys Charlie Burr and Jerry Parenti were hurt and Burr's mount, Isthetruth, fatally injured in a spill in the fourth race at Atlantic City yesterday.

Isthetruth went down a furlong from the wire in a three-quarter mile dash, throwing Burr to the track. Gaelic Gal, with Parenti up, fell over Isthetruth.

Parenti suffered a possible fractured left shoulder. Burr was only shaken up. Both were taken to Atlantic City Hospital. Isthetruth had to be destroyed.

Some interesting facts...

for the man who thinks

"all good gasolines are about the same!"

This is such a common idea in people's minds, that you may be interested to know that it never was true... and isn't now!

Take a minute now to read why this is so... and you may be on your way to getting more for your gasoline money for years to come.

Here's the story... short and sweet!

First, it is true that all reputable gasolines today are good products and good value for your money.

Second, it is true that "premium" gasolines, at slightly higher cost, do give added performance values in most cars.

But... it is not true that all "premium" gasolines give the same amount of extra value for the higher price. Differences, in fact, are surprisingly great in many cases.

And... it is also true that Esso Extra gasoline meets the highest standard of all-round, year-round performance quality that exists!

Proof? It starts by taking these eight performance qualities which automotive engineers agree are basic in importance to a good gasoline.

1. Sheer Power; 2. High Anti-Knock; 3. Long Mileage; 4. Clean Engine Operation; 5. Quick Starting; 6. Fast Warm-Up; 7. Hot Weather Anti-Vapor-Lock; 8. Cool Weather Anti-Stalling.

Using this "yardstick" Esso Extra is tested scientifically for all these qualities against the best competing brands. And time after time in these tests Esso Extra meets the highest standard of overall year-round performance quality.

So... when you pay a little extra for a premium gasoline why not see your Esso Dealer?... why not get the most popular and largest-selling premium gasoline in the area served by Esso Dealers?... why not get all the extra benefits that await you all year 'round at the Esso Extra pump? That's what "Happy Motoring" really means! See your Esso Dealer today and regularly!

Esso Extra meets today's highest standard of year-round gasoline performance!

State Studies Plan To Plug Loophole In Collection Of Tax On Out-Of-State Buying

HARRISBURG (AP)—The commonwealth today studied a plan to close a gaping loophole in collection of the one per cent sales tax on out-of-state purchases brought into Pennsylvania.

A spokesman for the Sales Tax Bureau, who declined quotation by name, said the loophole may cost "thousands of dollars" in unpaid taxes.

Under present regulations, an out-of-state firm with branches in Pennsylvania may purchase equipment and use it elsewhere for a while and then send it into Pennsylvania without paying the tax.

"For example," the spokesman said, "that company may decide to equip its Pennsylvania branch with new typewriters. If it should send those typewriters to another branch for a short time and then send it to its Pennsylvania branch, it can avoid paying the sales tax."

He explained that the regulations provide for collecting the tax on new material purchased out of the state which is used or consumed in Pennsylvania.

Second-Hand Goods Exempt
"But if it becomes 'second-hand' by even temporary use elsewhere, we can't collect the use tax," he added. "That's what we hope to be able to stop."

Meanwhile, the new tax was received with mixed reaction when it went into effect yesterday.

Some customers complained about paying the extra one per cent; others said nothing. More common, however, were questions put to salespersons by puzzled buyers.

Confusion over just exactly what is taxable and what isn't created the biggest disturbance with many stores finding the going difficult the first few hours.

A battery of attorneys remained on duty at Revenue Department offices through the day to answer the many queries received.

Booklets Not Ready
"We've had to do six months' work in six weeks," Otto F. Mesner, revenue secretary, said in commenting on complaints from merchants about the lack of instructions. Regulation booklets are in the process of being sent to county seats as soon as they are turned out by the printer.

Some merchants made up lists on taxable and exempt items to display in their stores. They compiled the charts from newspaper reports. Others held briefing sessions with salespeople to try to get

LANCASTER D.A. RESIGNS AFTER CASE IS CHANGED

LANCASTER, Pa. (AP)—Lancaster County's district attorney, John W. Beyer, resigned last night amid a probe into the disposition of a drunken driving charge against one of his neighbors.

The resignation came after an investigation of a case involving Lawrence A. Benedict, a contractor, Benedict was charged with drunken driving by officer Michael R. Good of nearby Mount Joy.

The charge was reduced to reckless driving by Good. After that, a Mount Joy resident, John W. Bowman, wrote to the Lancaster Intelligencer newspaper asking for an investigation.

Beyer, in submitting his resignation, issued a statement which said in part:

"I can say with a clear conscience, before God, that I never intended by any act or word to use my office of district attorney, either directly or indirectly, to sway or influence any action of any officer in this case, or to request any one else to do so."

Accepts Resignation
The resignation was accepted by the president judge of Lancaster County Court, Oliver H. Schaeffer, without comment.

The Benedict case was investigated by Asst. Dist. Atty. William C. Storb, who eventually ordered rearrest of Benedict on a charge of operating a motor vehicle while under the influence of alcohol. Benedict waived a court hearing.

When the results of Storb's investigation were made public, the board of censors of the Lancaster Bar Assn. held a series of meetings and submitted a report to Judge Schaeffer.

Louis C. May, chairman of the censors board, said:

"We do not plan to make any public statement or special report to the bar association. Our report has been turned over to the court. As far as we are concerned there will be no further action."

Beyer was elected district attorney two years ago for a four-year term.

LEGIONNAIRES FIGHT OVER AIR FORCE SLASHES

ST. LOUIS (AP)—America's Legionnaires, turning back to business after a gala parade, today battle it out over Air Force budget cuts and the United Nations and hear a major policy speech by Secretary of State John Foster Dulles.

The two burning national convention issues already have caused a split in the convention. A floor fight was foreseen at least on the budget cuts question.

Perhaps the hottest issue on the agenda is the Eisenhower administration's five-billion-dollar cut in the Air Force budget and its decision to cut back the Air Force program from 143 to 120 wings.

The convention committee on aeronautics passed a resolution calling for re-establishment of a 143-wing Air Force. This will come up before the convention Committee on Security, but it is one of the last items on the agenda today and possibly could be crowded off.

The resolution could be blocked in the Security Committee but proponents say it definitely will be brought out on the convention floor.

Addresses by George Meany, president of the American Federation of Labor, and William E. Miller, president of the National Education Assn., were also scheduled today.

The 10-hour parade through downtown St. Louis yesterday claimed the lives of two legionnaires—both World War I veterans who collapsed under the 100-degree temperature.

William Randolph, 51, of North Little Rock, and Salem A. Hatem, 61, of New York City were both dead on arrival at City Hospital. About 150 other paraders, overcome by heat, were treated at first aid stations.

An estimated 300,000 person turned out to watch the parade. Scattered through the marchers were beauty queens, 323 drum and bugle corps and bands, 170 replicas of locomotives and boxcars and automobiles carrying dignitaries.

BIG 3 INVITE RUSSIA TO BIG FOUR SESSION

LONDON (AP)—The Big Three Allies called on Russia today to join an early Four Power conference of foreign ministers on the future of Germany and Austria.

Identical notes were sent by the United States, Britain and France suggesting the high level talks to work out:

1. Arrangements for holding free German-wide elections as an essential first step toward restoring German unity and agreeing on a final German peace settlement.

FRENCH PLANE HITS ALPINE PEAK; 42 DIE

NICE, France (AP)—An Orient-bound French airliner crashed in flames late last night on the side of a 10,000-foot Alpine peak, killing France's most famous violinist,

to be held within six months. The Soviets suggested also that free German-wide elections should follow the peace conference.

Reversed Procedure
The American, British and French notes made it clear that the Allies believe the Soviet proposals for holding elections after a peace settlement puts the cart before the horse.

The informants said the Allies proposed the ministers meet about mid-October in Switzerland. The lakeside town of Lugano near the Italian-Swiss frontier is understood to have been suggested as a meeting place.

The Allies were answering a series of Soviet communications on Germany and Austria received during August.

The call for Four Power talks comes only four days before West Germany goes to the polls in a vital general election.

The Russian proposals on Germany were generally interpreted by Western diplomats as designed in part to influence voting in the West German elections against the parties behind Chancellor Konrad Adenauer.

As for Austria, the Russians last weekend turned down an invitation to sit in on a lower-level conference of Four Power deputy foreign ministers to draft a treaty.

Jacques Thibaud, and 41 other persons.

The giant four-engine Air France plane was on a regularly-scheduled flight to Saigon and Hong Kong when it smashed near the towering summit of Mt. Cemet, in southeast France 100 miles north of this Riviera resort.

Rescue workers who reached the scene after toiling more than five hours up the steep mountain slopes reported there were no survivors among the 33 passengers and 9 crew members. Wreckage was scattered over 1,500 feet of the mountain side.

No Cause Given
Air France officials could give no cause for the crash, which occurred only an hour and a half after the big plane left Paris's Orly Field. They said messages from the pilot had reported all was well and the weather was good.

Rescue crews reported the temperature on the mountain side was below freezing but the weather otherwise was perfect.

Airline officials said the passengers included four Indo-Chinese, one Swiss and a man believed to be a German. The rest apparently were French. Among the passengers were one baby and four other children.

With Thibaud were his daughter, Suzanne and his accompanist, Rene Herbin. They were en route to Japan for concerts.

DILLSBURG'S FARMER FAIR PLANS CONTEST

As an added attraction for the Farmers' Fair to be held in October, the Veterans of Foreign Wars and Auxiliary of Dillsburg will sponsor a King and Queen of Farmers Day Contest.

Rules for the contest are as follows: The contest is open to any child aged two to six years in Dillsburg and vicinity. Any person interested in entering a child or children in the contest shall submit a picture of each. Pictures must be 5 by 7 inches or larger and will be on display in the window of the Shellito building from Saturday, September 19, until Farmers Day, Saturday, October 24. All pictures will be returned after the contest. Pictures must be submitted Friday evening, September 18, from 7 to 9 p.m. or Saturday morning, September 19, from 9 to 12 noon. No contestants will be entered in the contest after that time. Each child entered will be represented with a jar bearing his or her name. These jars will be distributed to various stores in town, names of which will be given at a later date, where they will be on display. Any amount of money may be placed in these jars, each penny representing a vote for the child whose name appears thereon.

The contest begins Saturday, September 19, and ends Saturday, October 17. At the latter date the jars will be collected and the girl having the largest number of votes in her jar will be queen and the boy with the most votes in his jar will be king. The winners will be notified Monday, October 19. There will be prizes given to the king and queen and also to runner-up contestants. The king and queen will be crowned Thursday evening, October 22, during a special program to be held on South Baltimore St., Dillsburg. A float will be provided on which the king and queen will ride in the Farmers Day parade.

My Daze

SHADES OF BUCK ROGERS...

A prominent scientist has just made a statement (according to the newspapers) that will forevermore make him the enemy of the younger set... particularly the fellas who own the space guns and space suits. He has made a study of the heavens and the atmosphere and come to the conclusion that it isn't possible for life to exist on another planet, especially Mars and Jupiter. I've been wondering what the younguns are going to do with those five million space suits, space guns, and the helmets that look like fish bowls! By this time, Don Corbett, of the Space Patrol, has probably read the article while cruising over subversive flying saucers. Since life isn't possible out there, young Corbett's space ship will no doubt drop like a ton of bricks right through the sound proof walls of CBS Television. ... Right now, the erstwhile professor is probably the recipient of thousands of indignant letters from small fry all over the world. I only hope no one steals into his home at night and blasts him to eternity with a super-ray gun. ... The prof left himself a note, though. He says his findings aren't yet conclusive, but he is pretty sure. I'm all "ears" waiting

for prizes given to the king and queen and also to runner-up contestants. The king and queen will be crowned Thursday evening, October 22, during a special program to be held on South Baltimore St., Dillsburg. A float will be provided on which the king and queen will ride in the Farmers Day parade.

THAT NEW TAX AGAIN...
Last week I made a horrible mistake in regards to the new one per cent sales tax. ... They ain't gonna tax overcoats (Where—98 degrees outside today) like I told you. ... The only thing that's taxable for you men will be those superfluous neckties. The tie manufacturers are fit to be tied, but the new tax law literally tied their hands. The new law will thus abolish the old Western custom—"the necktie party"... with the guest of honor breathing a sign of relief. The law does not state a word about bowties, however, don't use me as an authority for refusing to pay the tax on your new jazz bow! ... Incidentally, if you're confused again, let me quote from Regulation 303 of the new tax re: REFUND AND TRADE IN ALLOWANCES... and I quote: "Where a contract of sale has been cancelled or the property returned, the seller may take credit for the tax paid on any subsequent return filed by him within one year from the date of the payment of such tax, or he may file a petition for refund of the tax paid upon such credits, if the seller proves to the satisfaction of the Department that he has refunded the tax to the purchaser..." (There's more, but I quit!)

There is only one man in Gettysburg who could interpret this legal mumbo jumbo... I refer you to that eminent lawyer—DON SWOPE, of Swope, Brown & some other name I can't recall... Maybe all of you will run right down to his office and ask for an explanation... then Don in righteous indignation will take it right to the Supreme Court... Oh no, not that!

Barn Threatened By Brush Blaze

Last Saturday while Carson Speelman was burning dry brush and weeds for Dr. Nelson, owner of the former Norval Folk farm, the fire got beyond control. He hurriedly drove to his farm and told his son to call for help.

When he returned to the fire it was getting close to the barn and while he was trying to get the debris away from the barn he was trapped by the flames and was forced to run through the fire but was not badly burned. The fact that the barn has a 7-foot stone foundation wall and the prompt arrival of the York Springs Fire Company saved the barn from being destroyed.

Mr. Speelman was overcome by smoke and heat but was quickly revived by neighbors.

HIGH TRIBUNAL ORDERS U.N. TO RESTORE 4 JOBS

UNITED NATIONS, N. Y. (AP)—A United Nations high tribunal ordered the U. N. today to restore jobs to four employees and pay damages totaling \$122,500 to seven others. All of them American citizens, they were fired because they refused to answer U. S. government questions about alleged Communist ties.

The four-member international board, highest appeals court for the U. N. staff, held for an employee to invoke the U. S. 5th Amendment in refusing to answer such questions did not violate any U. N. staff rules.

But the tribunal upheld the firing of nine others—seven involved in Communist inquiries and two for non-political reasons—because they were "temporary-indefinite" employees whom the U. N. secretary general could dismiss if he thought such action was in the interests of the international organization.

Appeal Referred Back

Ten of the 11 granted reinstatement or damages had so-called permanent contracts of employment.

The 11th employee, Ruth Crawford, former information officer for the U. N. International Children's Emergency Fund, had admitted a year's membership in the Communist party, terminating in 1936, but was fired by former Secretary General Trygve Lie because she refused to tell the Senate Internal Security Subcommittee who invited her to join the party in 1935.

The appeal of still another "permanent" employee, Eugene Wallach, a language services stenotypist, was referred back to the staff joint appeals board for another hearing. He had appeared before a federal grand jury investigating subversion. The U. N. in announcing this firing said he had not given a complete account of former employment as required by U. N. regulations.

Studied By Secretary

Of the 11 employees in whose favor it decided, the tribunal ordered four reinstated in their jobs, money damages of \$7,000 to \$40,000 to six others who do not want to go back to work for the U. N., and \$10,000 damages and salary until her pension begins in 1955 to Jane Reed, 58-year-old library staff worker.

A spokesman for U. N. Secretary General Dag Hammarskjöld said he is studying the whole decision, and particularly the order to reinstate the four employees. If he refuses to restore their jobs, they can demand further damages.

The high tribunal is headed by Mrs. Paul Bastid of France. Other members are Lord Crook, Britain; Sture Petren, Sweden, and, as an alternate, Omar Loufi, Egypt.

They were elected by the 60-nation General Assembly. Their decisions, reached at conferences in Geneva, Switzerland, were made public here today.

YANKS QUIZZED BY RUSSIANS; HAD PLANE DATA

FREEDOM VILLAGE, Korea (AP)—An American airman liberated Tuesday said he was questioned by a Russian who showed him plans for new U. S. warplanes and maps of American air bases.

Capt. Harry F. Hedlund of Fullerton, Calif., said that after his B26 bomber was shot down in March 1951 his captors "took me into a house where there was a Russian in civilian clothes. He pulled a gun and laid it on a table."

Hedlund said the Russian "showed me drawings of latest U. S. aircraft. Some of them I didn't recognize. I couldn't answer questions about them."

"Some of the drawings looked good to me," the flier added. "Among them were drawings of B35s and B47s."

Hedlund was one of four American fliers who told of being questioned by Russians. The four also said they knew of other airmen taken into Manchuria for questioning by Russian military experts.

The three airmen interviewed with Hedlund were:

Capt. William C. McTaggart, Jr., 31, of East Brady, Pa., whose B29 was shot down May 7, 1951.
Lt. Loris R. Miller, 27, of Berlin, Ohio, whose F84 was knocked down by flak Sept. 14, 1951.

Lt. Donald T. Morgan, 25, of Winfield, Kan., whose F84 was shot down Dec. 24, 1951.

All four officers said they were first interrogated at Pak's Place about eight miles northeast of Pyongyang, the North Korean capital. They said the interrogation point was an old brick yard which

Aged Presbyterian Clergyman Dies

PHILADELPHIA (AP)—The Rev. Dr. John B. Laird, 87, noted Presbyterian clergyman and educator, was buried in Cedar Hill Cemetery Tuesday following services at the Presbyterian Church of Frankford which he served as pastor for 51 years until retirement in 1946.

Dr. Laird, 87, died Saturday. He also served as moderator of the synod of Pennsylvania and was eight times commissioner of the General Assembly of the Presbyterian Church. In addition, he had been trustee of Wilson College and Lafayette College for 50 years and a trustee of Princeton Theological Seminary for 47 years.

He had been named by POWs after a Korean major who commanded the point.

The officers said that they were slapped around and kicked but were not given "too rough treatment in comparison with what others got."

McTaggart told of one officer who was in a hut where several men attempted to escape.

"They accused him of being an accomplice," he said, "they tied him up, kicked him in the groin and put things under his nails—splinters and needles."

SPEED is the Killer!

Just one minute please!

Before you start out for a fun-filled Labor Day holiday—make up your mind that it won't be filled with tragedy instead. I've seen only too many traffic accidents take the joy out of living—or take life itself! So DON'T SPEED!

Roads will be crowded. Drivers will be hurrying to get where they're going or back home from where they've been, and a lot of them will be tired out. That's the time when traveling a few extra miles per hour is deadliest. So DON'T SPEED!

Pennsylvania enforces its speed laws. Your driving privileges will be suspended if you are caught exceeding the posted speed limit. It takes less than a minute to snuff out life—and it is speed that does it. So DON'T SPEED!

COOPERATE WITH US BY FOLLOWING THE BEST TRAFFIC RULE OF ALL—THE GOLDEN RULE. TAKE TIME TO HAVE A SAFE AND HAPPY LABOR DAY.

*This is not a license to kill or injure.
It will be revoked or suspended for cause.*

MOTHER, FIVE CHILDREN DIE IN HOME BLAZE

PITTSBURGH (AP)—A mother and her five young children burned to death early Monday as flames destroyed their home on Universal Road in nearby Plum Township.

Paul Krizanich, 40, who burned his arms in a futile attempt to save his family, was the only person who escaped.

He identified the victims as his wife, Mrs. Hattie Deer Krizanich,

35, and these children: Janet Lee, 10; Paul Jr., 8; Larry Ervin, 5; Karl Edward, 2, and Shirley, 6 weeks.

"I got up early to look for a job," sobbed Krizanich. "I walked out of the house and was in the rear of our lot for something like 30 minutes. I heard children crying but thought they were the neighbors'. Everything was quiet in the house when I left."

House In Flames

"When I returned the whole back of the old two-story frame house was a mass of flames. I tried to get in, but clouds of black smoke that filled the stairway drove me back."

Krizanich said that he ran outside and called for help from his

neighbors.

Jack Dolan and Al Huff came running over with a ladder," he said. "We tried to get in the house but it was no use. It was burning all over and every way was blocked."

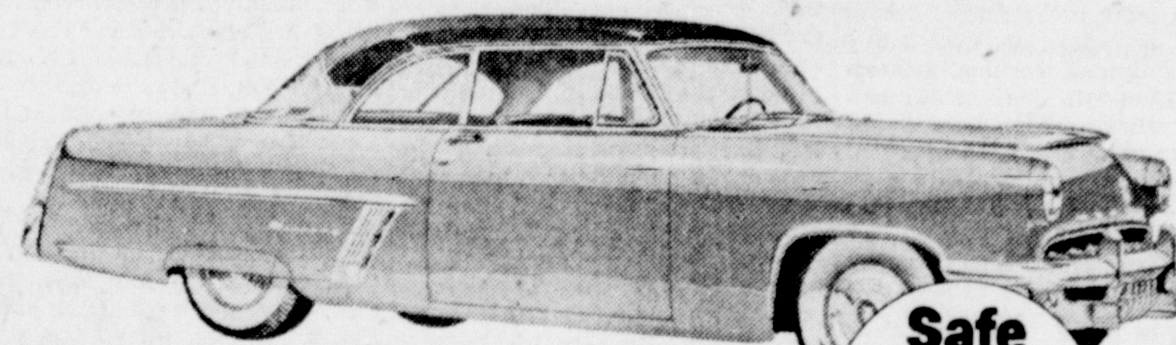

Asked what might have caused the fire, Krizanich said he "could never be sure" but added:

"Paul had a bad habit of playing with matches. He was in the habit of getting up early, but I don't know whether or not he got up this morning while I was outside."

The father said "the children were all ready to start school," adding:

"I bought them all new clothes Saturday. They were to start tomorrow at Hardy School."

Heat Wave's Death Toll Mounts To At Least 50; No Letup Near; Loss Heavy

By The Associated Press

A prolonged heat wave, following weeks of hot and dry weather, showed no signs of a letup today in wide areas in the eastern half of the nation.

The damage from the summer's unseasonable weather, with no heavy rains in many areas, was widespread.

The death toll from causes attributed to the current heat wave mounted to at least 50. Thousands have been treated for heat prostration.

Millions In Damage

Damage to crops in several states appeared soaring into the millions of dollars. In Missouri

alone, officials estimated the farm income loss from drought would total 150 million dollars.

In Iowa, one of the leading corn states, a Farm Bureau official said the hot weather of the last week alone had cut the state's prospective corn yield by at least 15 per cent. Corn damage also was reported in Illinois, South Dakota, Nebraska, Kansas, Indiana and Ohio.

No general relief from the hot and sticky weather was predicted for the bulk of the area enveloped in the hot air mass.

Wierman's Mill

WIERMAN'S MILL — Vernon S. Myers, Biloxi, Miss., spent Tuesday with Mr. and Mrs. Hilary R. Kennedy.

Sammy Bricker recently returned home after a visit of several days with Mr. and Mrs. Maurice Hykes, Camp Hill.

Mrs. Clair Bricker is recovering from a recent illness.

A large crowd attended the annual reunion of the Fair family held the last Sunday at the South Mountain Fairgrounds, Ardenville.

Mrs. John Cook, York Springs, has been admitted to the West Side Osteopathic Hospital, York.

Mr. and Mrs. Robert Huber, Harrisburg, and Robert Kieffer and two daughters, Mechanicsburg, spent Saturday with Mr. and Mrs. Jonas Kieffer.

Mr. and Mrs. Brinto Wastler plan to move this week from one of the Wishard cottages to the Jonas Kieffer home.

Mr. and Mrs. Richard Keagy and sons, John and Dick, and daughter, Linda, York, spent the weekend with Mrs. Naomi Everhart.

Lynn Boyer, Washington, D. C., has been spending some time with his sister, Mrs. George P. Smith.

Mr. and Mrs. Roy Fagan and daughters, Sue Ella, Anna Mae, Mary Louise, Nancy, Barbara, Donna Lou and Dorothy, Enhaut, visited Mrs. Rosie Bream recently.

Mrs. Thomas Barkley, Panama Canal Zone; Dr. and Mrs. Allen Atticks, Miss Dorothy Atticks, Harrisburg; Mr. and Mrs. Warren Wengert, Mr. and Mrs. George A. Smith and Miss Diane Morton, Camp Hill; Lynn Boyer, Mr. and Mrs. Carl Hench and daughter, Joanne, Washington, D. C., visited Mr. and Mrs. George P. Smith, Sunday.

Weekend visitors at the home of Mr. and Mrs. Hilary R. Kennedy included Mr. and Mrs. Harman Beamer, Miss Beatrice Ruppert and J. R. Ruppert, Carlisle; Mr. and Mrs. William Hurnie, Schenectady, N. Y.; Mrs. Elizabeth Mark, Mrs. Oliver Lenhart and Mr. and Mrs. Charles M. Spahr, York.

expected to move slowly across northern sections of Wisconsin, Michigan and Iowa by tomorrow.

But, hot and humid weather was predicted for today and tomorrow for areas south and east of the slowly advancing cooler air mass.

And in Washington, the Weather Bureau forecast hot and dry weather was the outlook for the northeast part of the country during September.

Temperature records topped again yesterday in nearly every section of the swelter-belt. It was the same in many cities yesterday as it has been for more than a week—readings in the high 90s and in some cities above 100.

The hot weather has slowed business in some areas but no general slackening was reported.
